## FACTS

We have been established since 2005 and have provided fountains for York Races, Chelsea Flower Show, Wetherby Races, Exhibition Stands, Various Charities, School Proms and Weddings.

### What is the package designed for?

It is intended to be used as an add on attraction, however if you wish to use as a dessert, you may wish to add additional dipping foods - please ask for a quote.

### Can we change the dipping foods?

Of course you can. Simply let us know what you prefer and we will provide an individual quote for you.

### How long will the fountain run?

Our packages are based on 3 hours running time, with an additional hour to set up and an hour to take down. You can increase to 4 hours by adding £50 to your package.

### What happens if the speeches overrun?

We are prepared to give you 30 minutes grace if you are late starting the fountain. As a matter of courtesy, we will announce that we are removing the fountain 15 minutes before we are going to finish, to enable your guests to have a last nibble.

### Are all the dipping foods suitable for vegetarians?

All our food is suitable for vegetarians, with the exception of Marshmallows, which contain beef gelatine.

### What kind of Chocolate can we have?

We use Belgian Callebaut Chocolate and offer Dark, Milk or White or flavoured (price available on request).

### Can we have Cadburys Dairy Milk?

Yes, however as Cadburys do not provide this chocolate in catering packs, it costs us more to buy this chocolate, therefore we have to make an additional charge of £30 per 10kg.

### Can we keep the leftover Chocolate and Dipping Foods?

Yes, either provide lidded containers or we can provide them at a cost of £10. If you do not inform us prior to your party, we will dispose of the chocolate and food.

Our machines are PAT tested. Personal Insurance cover by Towergate. Staff are trained to Food Safety in Catering Standard.

Free mileage within 30 miles of Castleford, 25p per mile thereafter. Add an additional Fountain, Illuminated Base and Operator for £250.

For parties of over 150, please ask for an individual quote.
